## President's Message by Bob Maki

Fall is just around the corner and as you all know with it will come with some of the best fishing of the year. So I hope you all have set some time aside to fool a few unwary lunkers that are going to be fattening up for the winter ahead. Most any hook with fur and feather wrapped around it will likely do the trick once the bite is on.

The Indianhead Flyfishers Club meetings will resume at 7:00 p.m. on September 11th at Idaho Pizza located on Commercial St across from the Vendome Events Center.

Being the President this past year was an honor made possible by the efforts of our board members and their desire to have a club where we can share the passion for this life adventure we call fly fishing and all it brings to our lives. I thank the membership for their participation throughout this past year because involvement by each and every member is what gives this club life. And I especially want to thank each board member and past president. Your willingness to give to this club is invaluable. **Nando, Mark, Lynette, Rod, Tiffany, Dave, Tom, Bill, Perry, Jim, Ken & Mike**, many thanks to you all. That said folks, we have a few openings on our board this year so please step up and see what you can do for the club. You will find it to be a rewarding experience.

Fly tying classes will return again starting the 3rd Tuesday of the month 7:00 p.m. at the library. Perry Kelly has graciously offered to provide the instruction. Hurry though as class size is limited to the first 250 students due to space restrictions. All kidding aside join us for a fun evening and learn from one of the best.

Bob

*Good fishing to all and thanks for a great year. Bob.*

## Tuesday, September 11

Meeting will feature Ed and Nina Gammons who will talk about their trip to Africa—including their fishing experience.

Look at those teeth. No wonder Ed's using a hook

Hope this isn't Ed they're chewing on. Looks like his boots!

# CLUB'S LIBRARY – BOOKS & VIDEOS

IFF's Chief Librarian wants to remind its members that the club has a treasure-house of books and videos available for members to check out. These includes a few novels as well as instructional material. Rod has put together a complete list for your use.
