## NO MEETING OR POT-LUCK THIS MONTH

Tradition has it that the club holds the first annual meeting of the year in August, and moreover, it is a pot-luck dinner with the club supplying the chicken and water. The Meeting/Picnic is usually held at the pavilion in the Weiser Memorial Park.

However, because of the pandemic, the Board of Directors, in an unscheduled and impromptu meeting, has decided that the meet tin will be delayed until next month (September).

Watch for details in the next *Newscaster*.

We are certainly going to miss Charley Daniels' smiling face at our meetings. Charley passed away last month due to complications involving an operation. He was a great friend to many.

Please note that there is not a "President's(?)" message this month. President(?) Mike is rather adamant that he will not serve another term next year. So the Club should consider what to do for Officers next year. I will publish any names received in the next *Newscaster*. However, I think you should send any suggestions/nominations to our secretary, Eileen Boots.

As per usual, no Board meetings or Membership meetings are not scheduled for June and July. Our first regular meeting of next season will be our annual picnic in Memorial Park on September 8. More about plans in the next newsletter.

### Important IFF Tax Numbers

The club is a (501)3C charitable organization #C142076 so you can deduct contributions to the club (see your tax advisor for details).

Every Wednesday morning at 8:00 we USUALLY meet for an impromptu breakfast to talk about fishing for the coming week (among other stuff). Now we can resume our schedule. We will alternate locations between the Homestead Cafe at the corner of State and Park Street, and the Cook Shack at the corner of W. 7th St. and Pioneer Road.

## On the Malheur

Last Wed. (June 3) Mike T, Mike S, Perry, Steve, Al Grant and myself (Jim G.) went over to the Malheur Res. for a little fishing time. The weather even cooperated, mild temperature and hardly a breeze.

It was great to get out on the water again, it's been a while for some of us (Perry). I believe we all caught at least one to two fish. Ranged from 17 inches to 20 plus..

Late in the afternoon Jim Casad showed up with his Grandson. Jim was teaching the young man the art of fly fishing from a float tube. I know the young man caught at least one while I was still on the water.

Good day all around !!

Nice Day!
