Member's Happenings

April 28 Al went to Pole Creek. He caught nine rainbow and four crappie. One rainbow was 20 inches and another was 21 inches. Took the 21 inch one to Steve. The four crappie made us a very tasty meal. Biggest crappie was 11 1/2 inches.

Here is All's 21 inch fish. (Don't know where or when, but here he is— again. (Is he the only one out there that is catching fish these days?)

You do know that the membership meeting this month (on the 11th) is the last meeting of the season. However, it is also the night of the **Year-End** drawing. And we have a number of prizes lined up.

First prize is \$300.

Then \$200.

Then \$100.

Then a **Tenkara** rod.

Then a nicely framed, **limited edition** print.

And several other prizes.

If you bought a ticket last year, it will be included in the drawing this year since we had no drawing last year. So be there but you do not have to be present to win.

On the Lighter Side

I people concentrated on the essentials in life, there would be a shortage of fly fishing equipment.

It has always been my private conviction that any man who pits his intelligence against a fish and loses has it coming.

I live in fear everyday, but sometimes she lets me go fishing

AN ANGLER IS A MAN WHO SPENDS RAINY DAYS SITTING ON THE MUDDY BANKS OF RIVERS DOING NOTHING BECAUSE HIS WIFE WON'T LET HIM DO IT AT HOME.

There is a fine line between fishing and standing on the shore like an idiot.

Cartoons are from a book, FLY FISHING!#@%&*!, by John Troy, Nick Lyons Books, New York, 1985.
