PRESIDENT'S MESSAGE

I am innocent! I have been accused, by two persons, of orchestrating great weather for the Weiser Pond cleanup

but just the opposite for Ben Ross

It's not my fault!

PRESIDENT'S MESSAGE continued

Well, the river is still too high for my taste in fishing, but summer is here, we have new members, and there are lots of things happening. At our board meeting, we discussed modifying the clubs tradition of suspending meetings and classes for the summer. We plan to try continuing on with “no agenda” meetings on the usual 2nd Tuesday at Idaho Pizza Co., fly tying on the 3rd Tues if instructors are available, and casting instruction on the 4th Tues.

Meanwhile, those who know how are catching beautiful rainbows at Mann Creek Reservoir.

Obviously, I am not one of those, as I never got a touch; but by golly, I can still find these guys . .

On the Lighter Side

*To fish or not to fish.
That is not the question!*

I people concentrated on the essentials in life, there would be a shortage of fly fishing equipment.

I live in fear everyday,
but sometimes she lets me
go fishing

Tried to grab the fog,
but I mist.
