PRESIDENT'S MESSAGE

Since your duly elected Editor of this fine newsletter and the duly elected President of the Indianhead Fly Fishers club have not been able to get together for a Presidents Message for the month of November, you (the reader) are going to have to satisfy your curiosity about the happenings that have taken place within the confines of the Board of Directors secret meetings (secret only because nobody is showing up for the "Board Meetings on first Tuesday of the month at the Idaho Pizza Polar on Commercial Street here in Weiser starting at or about 7:00 in the evening which of course is open to all members of the club that are interest in attending and having a say about what goes on in the regular membership meetings) by reading the comments that I have as to what happened at that meeting. (I did not attend this month's meeting either).

First we should welcome our newest club member, Mark Christensen, into the club. He is one of several members to join this year and we welcome Mark and all of our new member.

Second, the Board decided to start a tradition of our version of Pinning the Tail on the Donkey. We will modify that slightly (or substantially perhaps) by pinning a fly on a styrofoam fish. Here's how it works: you bring one or more flies that you have tied or used and have found successful in this area. You then pin your flies on the Styrofoam fish. At the end-of-the-year auction, the flies on the fish will be included in the auction. (You will have a much better chance of winning the flies if you buy an auction ticket!

Third, we will need to decide on what we want to do for the annual Christmas party next month witch is held during our regular monthly meeting.

And lastly (but certainly not least)., check out our website. indianheadflyfishers.org. This will be taking the place of this newsletter starting in January. It is up and running now, so check it out. **AND THIS IS THE PLACE TO SEND THOSE PHOTOS AND ARTICLES** that you think the rest of the club would be interested in seeing.

For Sale

- ◆ 9ft outcast Panther pontoon boat.
- ◆ \$250 for the boat or
- ◆ \$300 with trolling motor.
