## PRESIDENT'S MESSAGE

May you all be blessed this season, in every way.

I'm not finding much in the way of fishing, these days: if you have any ideas, how I can do it without my flatlander blood congealing like Solareze under UV, let me know.

I know some of you have hightailed it to warmer climes, so I hope you can find some fun.

Looking forward to the Christmas party on the 13th. Consult Messrs. Garrett and Stearns via the newsletter/web page for the details.

There are no plans for a fly tying session this month, due to the proximity of other celebrations. January's regular meetings should happen, barring unforeseen events.

See you all next week.

**Bring your significant** other and join us for fun and frolic.

**THE WHITE ELEPHANT GIFT EXCHANGE**

Please bring a **WHITE ELEPHANT** gift for each of person attending. Note that a white elephant gift is something that you no longer need, but might be useful to someone else.

The party starts (eating) at 6:00 instead of the usual 7:00 so that the kitchen staff can prepare all the pizzas.

The club will provide all the pizza and salad and non-alcoholic drinks that you can consume—so come early and be prepared for a good time.
